A B O U T

KOO is an innovative sportswear brand specializing in developing, designing and manufacturing high-performance sunglasses and goggles of the highest quality.
KOO is setting the trend with cutting-edge eyewear which, entirely designed and crafted in Italy, seamlessly blend technological excellence, superior materials and an iconic design. All KOO products are manufactured to the highest standard with rigorous testing to ensure consistent quality and safety, and fitted with premium ZEISS® lenses as standard – for unparalleled clarity and protection.

KOO is proud of its sponsorship of, and development in conjunction with, many leading teams and athletes.
These include the road cycling teams Trek-Segafredo, Team Colpack and women's team Ceratizit-WNT Pro Cycling; triathletes including Nikki Bartlett, Matt Hanson, Michelle Vesterby, Giulio Molinari and Andy Potts, cyclocross team KTM Alchemist Dama Selle SMP and world-class former professional cyclist ambassadors including Alberto Contador and Ivan Basso.

CLARITY DEFINED

D:FOG BY KOO

MTB LENS TECHNOLOGY

The ZEISS® lens have been specifically developed for optimal performance in an MTB habitat, featuring the most durable, scratch-resistant materials and advanced colour technology to tune and enhance visual clarity in any weather condition.

SLOT-IN LENS REPLACEMENT SYSTEM

Changing lenses has never been simpler and faster than it is with the EDGE. Removal and replacement is incredibly easy using KOO's slot-in system without leaving fingerprints and marks on the lens.

ULTIMATE VENTILATION

With added ventilation built into the frame, the EDGE ensures that vision is always crystal clear and fog-free, even in the most testing conditions.

REMOVABLE NOSEGUARD

The EDGE features a removable nose guard for extra protection against loose debris, while optimising the stability of the goggle on the face.
